## **ABOUT SAN FRANCISCO PERFORMANCES**

San Francisco Performances has been a leader in the Bay Area cultural scene since our founding in 1979. With a strong curatorial vision and adventurous programming, we are the city's premier presenter of intimate concerts and solo performances.

We have introduced hundreds of established and emerging classical music, jazz, and dance artists to audiences, including Yo-Yo Ma, the Juilliard String Quartet, Philip Glass, Wendy Whelan, and the Paul Taylor Dance Company. We also champion a new generation, committed to building a contemporary and equitable repertoire. Performers like the Catalyst Quartet, violinist Jennifer Koh, tenor Lawrence Brownlee, and pianist/composer Vijay Iyer are moving their art into the present and future, making it accessible to younger audiences while converting many traditionalists to new possibilities. They represent the path forward.

Quality, intimacy, and connection are the hallmarks of San Francisco Performances. We nurture unique relationships with today's best artists to create an accessible, warm, and engaging arts experience.
